This land is behind the Car Tax office, off the ring road :

- 8 anna land
- Nrs 22 lakh per anna (They apparently had a previous offer)
- The Civil home tower on the way to Bahsipati is visible.
- The Road faces the Ring road (you can't see the ring road) so apparently it is North Facing. 11am, the sun was above the land.
- 18ft road to the land ... I believe... will need to confirm this.
- The land has clear boundary on three sides.
- The owner is in the UK and is looking to sell the land to cover his home mortgage in the UK
